

# LIQUI MOLY 3-IN-1 HOUSEHOLD CLEANING

## OIL SPOT REMOVER

Specially developed to remove environmentally pollutant oil patches from all absorbent and non-absorbent surfaces such as concrete and clinker etc.

PN: 3315

PN: 1653

## UNIVERSAL CLEANER

Ideally suitable for cleaning walls and floors and is also ideal for use in high-pressure and spray equipment. This cleaner is based on selected, highly effective biodegradable surfactants and can be used to replace many environmentally harmful degreasers.

PN: 3355

## LIQUID HAND CLEANING PASTE

Gentle on the skin and contains substances to protect the skin. Cleans even the most heavily soiled hands without exposing the skin to excessive stress. Does not block waste pipes and drains. Environmentally friendly.
